

PROFILE

I'm an energetic and motivated individual with a great passion for the transport and logistics industry. I am currently in my second year of studying B.tech in Computer Science and Engineering at IIT Bhagalpur. I have good communication skills, enabling me to effectively communicate with a wide range of people. I am looking for an internship in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for.
